Center of Excellence for Women In Technology

## Last Day of Early Bird Registration for the *Techie Women Have More... Conference!*

Today is the last day to receive the early bird rate when you register for IU's first annual Techie Women Have More... Conference! This conference on the Bloomington campus is for all IU women students, regardless of major or year in school. (Faculty and staff are welcome to attend the events on Friday, March 28.)

REGISTER

**TECHIE WOMEN HAVE MORE...**  
**CONFERENCE MARCH 28-29, 2014**  
IU CENTER OF EXCELLENCE FOR WOMEN IN TECHNOLOGY

### Meet Our Keynote Speakers!

#### Gender Roles in the Workplace with Intel Anthropologist Melissa Gregg

Dr. Melissa Gregg, principal engineer in User Experience Research in Intel Labs and co-director of the Intel Science and Technology Center for Social Computing, will address the CEWiT *Techie Women Have More...* Conference on Friday, March 28, 2014, on the impact of technology on work and lifestyles, especially concerning women in the professional sphere, and how the lack of female role models affects this rapidly changing work environment. [Learn more here](#)

#### "Stop Painting by Numbers!: Harnessing the Power of Social Media to Create a Unique Career"

Dr. Sarah Smith-Robbins, known as "Intellagirl" on Twitter, will speak on Saturday, March 29, 2014, at 10:00 a.m. in the Union Street Auditorium. Her talk will examine how social media can be used for self-promotion, skills development and leverage in a competitive job market. Her discussion draws on experience of advising over 100 universities and businesses in the use of social and mobile technologies for education, promotion and process improvement. Smith-Robbins will teach attendees how to develop a personal online brand and increase their overall visibility. [Learn more here](#)

### Featured Headlines

#### Google Glass at the *Techie Women Have More... Conference*

Ever wanted to learn more about Google Glass? Nitocris Perez, an Emerging Technology Specialist for University Information Technology Services (UITS), will be offering a #throughglass workshop at the upcoming *Techie Women Have More...* Conference later this month. [Read more here.](#)

#### WESiT Research Practice Talks

Research talks are a great opportunity for presenters to not only get practice at speaking in front of a group, but also to get feedback from an audience with diverse academic backgrounds. [Read more here.](#)
