Hello fellow techie women! Here is the newsletter for the week of February 23rd.

~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~

WESiT is pleased to host the following events:

**WESiT’s February General Meeting - TONIGHT!**
Don't forget to come out to this month's general meeting! Come and enjoy doughnuts, the company of friends, and a presentation by representatives from the MSIS graduate program from the Kelley School of Business. Also, we will have a special tech demo with the Google Glass, so come and try them out! See you all then!

**Date:** TONIGHT (Monday, February 23rd
**Time:** 7:00 - 8:00pm
**Where:** Informatics West 159
**RSVP:** HERE

**Epic Information Session**
If you’d like a career that is both challenging and meaningful, consider Epic, a worldwide leader in electronic health records. They create and implement integrated software products for many of the largest healthcare organizations in the US, including Kaiser Permanente, Stanford, Yale, and they are expanding overseas. Currently, 54% of Americans are taken care of by physicians who use Epic software. They are now hiring for several technical teams, including Technical Services and Software Development.

**Date:** Tuesday, February 24th
**Time:** 6:30 - 7:30pm
**Where:** Informatics West 107
**RSVP:** HERE

**Women in Science Panel**
In honor or Women's History Month, the Feminist Student Association, together with the Undergraduate Physics Club and Women in Science, is hosting a Women in Science Panel on March 4th, in the Georgian Room of the IMU! Come hear professors from a variety of disciplines discuss their gendered experiences in science! Discussion will also cover tips for success in academia for students of all backgrounds.

**Date:** Wednesday, March 4th
**Time:** 6:00pm
**Where:** Indiana Memorial Union, Georgian Room

**Techie Women Have More... 2015 Conference**
The second annual CEWiT Techie Women Have More… 2015 Conference will take place Friday, March 6 and Saturday, March 7, 2015. NEW this year: CEWiT’s Faculty and Staff Alliances will be hosting workshops on Friday. This is in addition to the Saturday workshops. Additionally, there will be Mocktails, Networking, Dinner and the keynote presentation Friday evening. However, seating is limited, so you must register online by March 2nd. View THIS website for more information!

**Dates:** Friday, March 6th and Saturday, March 7th
**Register:** HERE

~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~

The following events and activities may also be of interest:

**Kinney Group recruiting on campus**
Kinney Group is hosting an Information Session on campus on Tuesday, February 24th. Jenny Miller, a recruiter from Kinney, has personally invited women from CEWiT to attend the event. The company have several women in leadership roles at Kinney, including their VP of Engineering, VP of People Operations, and Sales Manager (2/3 of them are IU Alumni). Attend to learn more about more information and opportunities with Kinney Group.

**Date:** Tuesday, February 24
**Time:** 5:30pm - 6:30pm
**Location:** HH 213 (Kelley School of Business)

**Deloitte Technology Women’s Initiative: Careers in Technology Consulting**
The Technology Women’s Initiative (WIN) from Deloitte Consulting will be holding an event that will give students a chance to learn firsthand how technology and business come together and what it’s like to work as a woman in a technology field by networking with female practitioners from Deloitte Consulting’s Technology practice. The event will consist of an informational session, keynote speaker, and interactive case workshop. Lunch will also be provided, and a networking session will follow the event. Click HERE for more information.

**Date:** Friday, February 27
**Time:** 11:00am - 3:00pm
**Location:** Kelley School of Business

**Free Classes through Bloomington Code School**
Bloomington Code School, a program of the Bloomington Technology Partnership, is offering free classes in web design, front end web development, PHP development and mobile app development beginning March 2nd. The sessions will meet weekly for 11 weeks and will be guided by local mentors who work in the tech sector. More information and information about registering can be found HERE.
L’Oréal USA for Women in Science Fellowship Program
The L’Oréal For Women in Science program recognizes and rewards the contributions women make in STEM fields and identifies exceptional women researchers committed to serving as role models for younger generations. More than 2,000 women scientists in over 100 countries have been recognized since the program began in 1998. The program will award 5 post-doctoral women scientists in the US this year with grants of up to $60,000 each. Applicants from a variety of fields including technology, engineering, and mathematics are encouraged to apply HERE. The deadline is March 20th.

Girls Who Code is Hiring Paid Teaching Staff
Gearing up for the 2015 Summer Immersion Program, the national non-profit Girls Who Code is looking to triple its teaching staff across the country. They are looking for empathetic and enthusiastic women and men with technical backgrounds. Apply HERE for hundreds of available paid Teacher and Teaching Assistant positions. Click HERE for more information.

CB Insights is Hiring
CB Insights is a data and analytics company that tracks private companies, the emerging industries they compete in, and their investors (venture capitalists, private equity firms, angel investors, governments, etc) and acquirers. They are currently hiring for multiple positions including Software Engineer, Tech Industry Analyst, Front End Developer, etc. Click HERE for more details.
